ABOUT SMYRNA SURFARI CLUB

In 2018 The Smyrna Surfari Club is celebrating its 39th year of existence. It is the second oldest, continuously-active private surf club in the world and probably the first to have a scholarship program. It was founded in 1979 by thirteen local surfers, most of whom are still active in the Club. Current membership is seventy active members.

The Club has produced more than 100 surf contests since its inception with proceeds benefiting its local high school scholarship fund.

As part of its commitment to the environment, since 2008, the Club has conducted 40+ beach clean ups on a combined 40+ miles of beach, collecting over a ton of trash.

Our Surfing Monument, located at the Flagler Avenue Boardwalk, is a very popular photographed landmark in New Smyrna Beach and was designed and paid for by the Surfari Club.

After 39 years of celebrating the sport of surfing, Club members are proud of our Club's efforts. Our contests have provided a family oriented competition featuring some of the best surfers in the country. Our contributions to the community we love have impacted many beyond the surfing world. We thank all of the fine people who have supported the Club over the years. Our success is due in part to the generosity of our sponsors and friends

HOW WE RAISE SCHOLARSHIP FUNDS

CONTESTS: The Surfari Club hosts two surf contests a year, the June Seaside Fiesta event and the Surfari Spooktacular in October. The Club has instituted several features over the years that encourage the participation of the community: The t-shirt for the Spooktacular is chosen from designs created by art students from the local High School, with the selected designer being awarded a prize of \$100. The Club also donates \$100 to the High School's art department. The highlight of each Halloween Spooktacular event is the hilarious "Costume Surfing" division, entries are free and the winner takes home \$100.

CONTEST SPONSORS: Sponsorship from our local community is vital for success of our contests and scholarship fund raising. Various levels of sponsorships are available.

RAFFLE DRAWING: The Surfari Club also has a Spectacular Raffle Drawing at its Spooktacular Contest in October. Over a 100 gift certificates are donated by local merchants with the Grand Prize being a custom Richenberg Surfboard.
